LOS ANGELES, March 31, 2025 (GLOBE NEWSWIRE) -- [Lulu's Fashion Lounge Holdings, Inc.](#) ("Lulus" or the "Company") (Nasdaq: LVLU), the attainable luxury brand for women, is unveiling its first-ever Lulus Spring 2025 Wedding Trend Report, based on internal sales data, on-site search behavior on Lulus.com, and customer surveys from 2024 to uncover the key shifts in wedding attire. Additional insights were gathered from Lulus' customer reviews to reveal what's resonating with today's wedding shoppers—and why. Released during the final phase of Lulus' "We are Lulus" brand campaign, this trend report offers a data-driven look at the styles and shopping behaviors defining the season. It sets the stage for Lulus' Summer Weddings reveal and the brand's upcoming limited-edition capsule collection with [Elliatt](#), launching in April, which further expands the brand's footprint in the wedding and event wear space.

"Weddings are no longer about just one dress—they're about an entire fashion experience," said Laura Deady Holt, Chief Merchandising Officer, Lulus. "Brides are planning full wedding wardrobes, from the engagement party to the honeymoon, and guests are treating weddings as their own personal runway. We're seeing more personality, more confidence, and more individuality than ever before."

As weddings continue to evolve, the days of cookie-cutter wedding fashion are over. In 2025, wedding wardrobes are bigger, bolder, and more expressive than ever. Lulus is seeing a dramatic shift toward versatile, ultra-feminine, and event-specific wedding attire. More brides are choosing elegant slip dresses, bridesmaids are mixing and matching like never before, and guests are making serious statements with daring silhouettes and unexpected colors.

At the same time, affordable luxury is a top priority, with wedding shoppers seeking high-end style at accessible prices. Lulus is seeing strong demand for stylish, high-quality wedding attire at accessible price points, with shoppers gravitating toward options that deliver both fashion and value. Lulus' Spring 2025 Wedding Trend Report reveals what's in, what's out, and what shoppers need to know about this year's biggest wedding fashion moments.
