> Re: Lulu's Fashion Lounge Holdings, Inc. Amendment No. 1 to Draft Registration Statement on Form S-1 Response filed January 9, 2020 CIK No. 0001780201

Dear Ms. Landsem:

We have reviewed your response dated January 9, 2020 and have the following

comments. In some of our comments, we may ask you to provide us with information so we

may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and

circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note

otherwise, our references to prior comments are to comments in our December 19, 2019 letter.

your customers' loyalty and the share of their wallet that you obtain. Please revise  $\,$ 

your disclosures regarding how management uses this metric and how it provides

useful information to your investors to better explain why you use a metric that does  $% \left( 1\right) =\left( 1\right) +\left( 1$

 $\,$  not consider any returns and cancellations to achieve these objectives. Based on

information previously provided to us, we assume this metric functions to provide  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1$ 

you with information on attracting and retaining customers and patterns in your

customers' cumulative spend because your customer return and cancellation rates do  $\,$ 

not fluctuate significantly from year to year and have been consistent over your

operating history; therefore, cumulative sales before returns and cancellations would  $% \left( 1\right) =\left( 1\right) +\left( 1$ 

SEC Release 33-10751.

Your disclosure on page 68 indicates that cumulative gross sales exclude wholesale

 $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left($ 

management uses this metric and how it provides useful information to your investors

to better explain why these revenue streams are excluded from cohort cumulative

 $\,$  gross sales. If true, you may wish to disclose that these revenue streams are

immaterial. Additionally, if these revenue streams are not immaterial, please tell us  $% \left( 1\right) =\left( 1\right) +\left( 1$ 

 $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right)$  why you do not appear to describe these revenue streams within the description of

your business or your financial statements.

2. We note your response to comment 2 regarding your cohort metric cost to acquire

customers, or CAC. Please revise your disclosures regarding this metric to better explain  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +$ 

to your investors how your management uses this metric and how it provides useful  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +$ 

information to your investors. Refer to SEC Release No. 33-10751. In doing so, please

 $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right)$  more clearly disclose why you believe it is appropriate to include certain types of

 $% \left( 1\right) =\left( 1\right) \left( 1\right)$  marketing costs and exclude others when determining the costs incurred to acquire

customers, and how this particular measure of marketing costs provides desired  $% \left( 1\right) =\left( 1\right) \left( 1\right) \left($ 

information to your management. You may wish to disclose information similar to that  $% \left( 1\right) =\left( 1\right) +\left( 1\right$ 

provided to us in your response.

3. We note your response to comment 3 regarding your cohort metric  $\operatorname{Cumulative}$   $\operatorname{Gross}$ 

Sales Less CAC and have the following comments:

Your disclosure on page 69 indicates you use this metric "as an indicator of [y]our

success in acquiring new customers." Please revise your disclosure to elaborate on  $% \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left( 1\right) +\left( 1\right) \left( 1\right) \left($ 

 $\,$  how this metric provides an indicator of your success in acquiring new customers,

including any material underlying assumptions you have made, and how it provides

useful information to your investors. Refer to SEC Release No. 33-10751.

 $\hbox{ In order to more clearly convey the assumptions underlying this } \\ \hbox{metric and how it}$ 

provides useful information to your investors, please revise your disclosures

concerning this metric to clearly indicate that this metric does not include the variable

costs of producing the cumulative gross sales reflected in this metric, is not a  $\ensuremath{\mathsf{a}}$ 

financial measure of profitability, and is not intended to be used as a proxy for

profitability.
